

Welcome to Cooloola

The Kabi Kabi First Nation people and the Butchulla people have an ongoing cultural and spiritual connection to this area. They, and Queensland Parks and Wildlife Service (QPWS), ask that you treat Cooloola and Inskip Country with respect and care.

Cooloola is about coastlines, colour and contemplation. It's about slowing down and breathing fresh air.

“ I am a proud Butchulla woman I absolutely love being a Ranger especially taking care of Country.

It gives me a deep connection to the land and surrounding waters and feeling the presence of its beauty especially from the water ways of the upper Noosa River to the coloured sands, and Carlo Sand Blow they are absolutely breathtaking.

I also love all the different wildlife on the Island you see something different every day.

Most of all I enjoy meeting different people from all walks of life and enjoy educating them about Kabi Kabi and Butchulla Country, so they have a better understanding of how we manage Country and our LORE. Do not take what does not belong to you, only leave your footprint and great memories. And most of all have safe travel, while taking in the islands beauty.

Cruise into Cooloola ... at any time of year

Get excited about the simple things—catching a fish, a moonrise over the ocean or drifting lazily in your canoe through The Narrows of the upper Noosa River.

Cooloola offers 61,750ha of variety—beaches, sandblows, rivers, open heath plains and forests—and is only a couple of hours north of Brisbane. Peak times mean peak crowd numbers, when every camping area is buzzing with activity, adding a lively, uplifting feel to your experience. Visit off-peak if you're seeking peaceful seclusion.

Once across the Noosa River, near Tewantin, things change. Town and city are left behind and blissful days of fun and relaxation lie ahead.

Feel the rush of being set free, four-wheel driving along the ever-changing edge of a 750,000 year old sandmass. Delight in the joy of a new discovery, around every bend, crisscrossing through Cooloola's landscapes and forests. Cooloola is popular for recreational activities such as fishing, surfing, boating, and camping.

No 4WD? No worries! Take a charming country drive from Gympie, through farms and forests on sealed roads, to Inskip Peninsula and awaken your senses with long beach walks, fishing or photographing shorebirds in one of Queensland's best internationally recognised wetland (Ramsar) sites.

Stepping out

Change the wheels for walking boots and get close to nature. The views from Double Island Point, Teewah landing and Carlo Sandblow, to name a few, are truly remarkable, with some offering sweeping coastal landscapes as far as the eye can see. The fresh sea air fills your lungs no matter where you walk in Cooloola. Simply invigorating!

Top three walking favourites

Cooloola Great Walk

A five-day walk that stretches the entire length of Cooloola—giant sandhills, hidden rainforests and spring wildflowers. You'll be surrounded by nature's chorus day and night.

Cooloola and Inskip Recreation Areas Great Sandy National Park

Plan carefully

- Buy permits online at qld.gov.au/Camping before you arrive. Information and permit sales also at Rainbow Beach and Tewantin QPWS information centres.
Note: Booking restrictions may apply for Great Walk walkers' camps during the high fire danger months of November to February.
- Firewood is not provided. If campfires are allowed in your camping area, bring your own clean firewood such as untreated mill off-cuts. You are not allowed to collect bush wood in the recreation areas. Campfires are not permitted during total fire prohibitions (QPWS) or total fire bans imposed by Queensland Fire and Emergency Service (QFES). Fires are prohibited at Teewah Beach and Freshwater camping areas.
- Bring sealable containers for your food and rubbish so wildlife cannot get into it.
- Avoid bush toileting. Use toilets provided or bring your own portable toilet. Empty any toilet waste at disposal sites only, not into public toilets. All campers staying within the Teewah Beach camping zones must bring and use a portable toilet for the duration of their stay.
- Help stop the spread of weeds. Wash camping gear, boots and tyres before visiting Cooloola.
- Bury all fish cleaning refuse—offal, fish frames, unused bait—at least 50cm deep and below the high tide mark. Searys Creek is strictly a 'No fishing' zone and penalties apply.
- Always check the tides before you start your trip, and plan to travel at low tide, if safe to do so.

Paddle and boat safely

- Always wear life jackets.
- Paddle close to the riverbanks to avoid power boats, as they have limited manoeuvrability.
- Strong winds and rough conditions make lake and river paddling difficult and time consuming. Consider weather conditions before you go and start your paddle early in the day.

Explore safely

- Queensland road rules apply on beaches and tracks.
- Nearshore landslides have occurred at Inskip Peninsula. For your safety, obey all signs and camp only where permitted.
- Don't get trapped. Wildfires and cyclones can move quickly. Be prepared to pack up and leave early when warnings are issued. Check local ABC radio for updates.
- Douse campfires completely with water, not sand. Embers under sand stay extremely hot for hours and can cause serious burns.
- Unsecured food and rubbish being left available can lead to increasing negative interactions between people and wildlife. Store all food and rubbish in secure containers.
- Never drink, bathe or swim in, wash dishes or cook with the waters in soaks or fresh water streams near the beach. The water quality cannot be guaranteed. Practise good hygiene so you don't get sick.
- Prevent food spoilage; keep things chilled and away from flies.
- Fish bright at night! Use high-visibility vests and reflective stickers when beach fishing.
- A small, patrolled swimming area is located outside the park at Rainbow Beach. Check patrol times. Swimming is not recommended in rivers or unpatrolled ocean waters. Stay safe; rips (strong ocean currents) and sharks are common. Bull sharks also live in the river system.

Camping with friends and family?

Your group's tents must be close together. Camping structures for people registered under one camping tag must be in one place and no more than 3m apart. You are not allowed to rope off areas or reserve sites.

Cooloola camping

Cooloola offers you a range of camping options from modern facilities camping at Freshwater to no-frills beach camping at Teewah, or try the 'gone fishing' seclusion of Poverty Point. For a complete getaway, walk and camp along the three-day Cooloola Wilderness Trail or the five-day Cooloola Great Walk.

Cooloola camping at a glance

Camping area	Features and hints
Teewah Beach camping area	Beach camping. No facilities. Generator use permitted 7am–9pm.
Poverty Point camping area	High clearance 4WD or boat access. No facilities.
Freshwater camping area	Shady sites. Bring fuel stoves for cooking and \$2 coins for hot showers.
Wandi & Neeps waterholes (Cooloola Wilderness Trail)	Picturesque camp sites, close to natural waterholes. Walk-in only.
Cooloola Great Walk walkers' camps	Four, small, remote, walk-in only, camp sites. Plan your trip well—visit qld.gov.au/nationalparks for detailed Great Walk information.

Cooloola drives

Cooloola offers diverse and challenging driving opportunities. With the right 4WD with high clearance, you can enjoy wide seascapes and forest drives to rivers and rainforests. You can get small caravans and camper trailers into some camping areas, but they must be high clearance trailers. Queensland road rules apply.

Drive	Distance	Hints
Cooloola beach drive	60km one way Allow 1.5hr	Expect loose sand, washouts and exposed obstacles. Middle and Mudlo rocks may be impassable, even at low tide. Seek local advice.
Freshwater Road	15km one way Allow 1hr	Sections of deep loose sand, especially during dry weather conditions.
Kings Bore circuit	40km circuit Allow 3–4hr	Sand track with sections of deep, loose sand, washouts, difficult terrain and steep hills.
Harrys Hut Road	20km return Allow 1.5hr	Unsealed 4WD road off Cooloola Way. Prone to washouts, large potholes and closures when flooded.
Poverty Point Road	12km return Allow 45min	Expect long stretches of deep, loose sand and waterlogged areas after heavy rain.

The upper Noosa River ...

A place to wet your feet and camp under the stars. It quietyens the mind and settles the soul. More than a third of its catchment is in national park. It's remote and one of the cleanest rivers in Queensland.

Leave the river like you've never been.

- Maximum six knots and no wash. If your vessel creates wash at six knots, slow down!
- No-landing zone between Fig Tree Point and Harrys.
- Motorised vessels are only permitted as far as Camp site 3.
- Only electric motors and non-motorised vessels are allowed past Camp site 3.
- Maritime Safety Queensland regulations apply on Lake Cootharaba and the upper Noosa River. See msq.qld.gov.au
- Sail boats should lower their masts before entering the upper Noosa River due to overhanging branches.
- Releasing effluent from boats is prohibited.
